Lalitpur

Core Dreams Innovations

Dec, 2024 - Jul, 2025

- Designed and developed responsive web interfaces using HTML, CSS, Tailwind, and React.
- Created user flows, wireframes, and prototypes for limousine dispatch systems.
- Improved UI/UX of Web Booker, Passenger App, and Chauffeur App.
- Collaborated with the team to deliver client-branded, user-friendly solutions.

UI/UX Designer

New Equilibria Oct, 2024 - Feb, 2025

I designed their app to create an intuitive and visually appealing user experience. My role involved optimizing user journeys, enhancing navigation, and ensuring a seamless shopping experience to drive customer engagement and conversions. I collaborated with cross-functional teams to deliver a user-centric product that aligns with the company's goals.

UI/UX intern Kathmandu

Treeleaf technologies Apr, 2024 - Aug, 2024

At Treeleaf Technology, I contributed to 5+ projects, improving user workflows and interfaces by 30% through efficient prototyping and wireframing. I collaborated with cross-functional teams to deliver user-centric designs, enhancing usability and driving measurable project outcomes.

UI/UX Designer Intern

Kathmandu

KWS techzone Jan, 2024 - Apr, 2024

I completed an internship at KSW Techzone, where I designed website interfaces and contributed to frontend development, implementing responsive coding and styling using Tailwind CSS, enhancing user experience, and creating visual appeal for the platform.
